Jumper Suits For Fall Vacation Wardrobe—Triple Skirts the Thing.

A jumper suit is the very thing to include in the outfit for a fall vacation. Pongee in its rougher weaves is suitable for this gown, but most women give the preference to dotted foulard. A dull green foulard with a white figure is a good choice, and I would suggest making it with a ruffled instead of a plaited skirt. Cut the ruffles on the bias and head them with a big twisted cord arranged in long loops at intervals. Put the fullness at the belt into tiny tucks. The jumper waist should have a wide shaped collar that runs to belt, back and front, and falls over the arm. Under this go the Japanese sleeves edged with an oriental embroidery.

The signs point very strongly to the triple skirt as a feature of fall fash-

ions, and not only as part of a costume, but as a separate skirt.

The short, stout woman must remember that the ultra short skirt is not for her unless she is willing to look very much stunted. If she prefers style and comfort to a graceful appearance, at least she must avoid the band trimming, which still further reduces the apparent height.

Here is a charming little model for a shirt waist dress. It is finished in a severe tailored style and is made of French percale. For later in the season the same design carried out in challis would be very neat.

### SARTORIAL NEWS.

Directoire Cutaway Coats to Be Fashionable—The Umbrella Sleeve.

Long, tight fitting and very severe coats are promised, but as the winter advances they will give way to the directoire cutaway, which will be worn with a handsome waistcoat.

It is in the tailor makes that the spirit of change has been most active in the way of sleeves. Some of the latest inventions can hardly be termed artistic, notably the sleeve which commences nearly in the center of the back, giving the back breadth of the coat a narrowing appearance which almost amounts to a deformity.

A novelty in sleeves which the dress-makers are experimenting with is the little umbrella model. Instead of springing from an immense armhole

like the kimono effect, it has quite a narrow beginning and widens at the elbow to the circumference of a yard and a half; this is covered from the top to the hem with tiny frills of lace, recalling in a quaint manner the trimmings on the minute hinged parasol of the crinoline days. It gets its name from this peculiarity.

Brown in all shades is to be the smart color this fall. The gown illustrated is of brown and white checked voile made in a simple severe tailored style. The skirt is very graceful with plaits below the hips. The little coat is chic and jaunty in the extreme.

## HERINGTON'S TABLETS

ABSOLUTELY CURE

Indigestion, Rheumatism,  
Diabetes, Kidney Diseases,  
Bladder Troubles, Liver complaints.

### A SURE KIDNEY AND LIVER CURE

Have you healthy kidneys? If not, you will soon be attacked with that terrible Diabetes, Bright's Disease, Gravel, Dropsy or Rheumatism, and your health and happiness ruined. We have the only treatment that is a sure cure for the dreaded Bright's Disease, Diabetes, and all other forms of Kidney and Bladder Troubles. If your kidneys are not healthy, if the bladder is inflamed and weakened, urine highly colored or cloudy, smarting in passing, pains in back, nervous, languid, depressed, weakened in body and mind, bowels constipated and digestion bad, write for a box of Herington's Tablets and be cured.

RHEUMATISM is caused by an excess of uric acid in the blood. Ask any reputable physician, ask your family doctor, and he will tell you that the Uric Acid must be dissolved and drawn from the system before the disease yields.

### What Causes Rheumatism

Now we say that the only medicine known that will actually dissolve this Uric Acid and carry it out of the body is Herington's Tablets. Local applications such as liniments, electricity, massaging, etc., will afford temporary relief only, and is time wasted to the injury of the patient, unless constitutional treatment is carried on at the same time. Why? Because the malady is a disease of the blood, and the blood must be freed of the cause—or no cure can follow.

WRITE TODAY—Fill in the coupon printed below and send it to us with 25 cents. We will immediately mail to you a liberal sized box of Herington's Tablets. If they fail to CURE you we will return your money as willingly as we took it. Our guarantee is, NO CURE, NO PAY.
